POLITICAL LEADERS

FOR 9/11 TRUTH

PETITION

(http://pl911truth.com/index.php?option=com_content&view=article&id=47&Itemid=53)

Da die von der Bush/Cheney-Administration öffentlich vertretene Interpretation der Anschläge am 11. September (2001) schwerwiegende, weitestgehend negative Auswirkungen auf die Vereinigten Staaten von Amerika und die ganze Welt gehabt hat, und

da die offiziellen Untersuchungen dieser Anschläge bis jetzt nur von Personen durchgeführt wurden, die der Bush/Cheney-Administration sehr nahe standen oder sogar bei ihr beschäftigt waren, und

da die Ergebnisse dieser Nachforschungen radikal von denen abweichen, die unabhängige Untersucher mit unterschiedlichsten beruflichen Erfahrungen ermittelt haben, und

da Organisationen dieser Untersucher – darunter Architekten und Ingenieure für die Wahrheit über den 11.9., Feuerwehrmänner für die Wahrheit über den 11.9., Rechtsanwälte für die Wahrheit über den 11.9., Piloten für die Wahrheit über den 11.9., Vertreter von Religionsgemeinschaften für die Wahrheit über den 11.9., Wissenschaftler für die Wahrheit über den 11.9. und Gerechtigkeit und (Kriegs-)Veteranen für die Wahrheit über den 11.9. – eine neue, wirklich unabhängige Untersuchung gefordert haben, und

weil wir glauben, dass es schon lange Zeit für politische Führungspersonlichkeiten ist, sich dieser Forderung anzuschließen,

bitten wir, als unterzeichnende Mitglieder der Organisation Politiker für die Wahrheit über den 11.9. den Präsidenten Barack Obama darum, eine neue, wirklich unabhängige Untersuchung zu veranlassen, die erforscht, was wirklich am 11.9. geschehen ist.

37 Politiker/innen haben die Petition bereits unterzeichnet.

(Es folgen 37 Persönlichkeiten, die zum Teil eigene, in dem nachfolgend abgedruckten Originaltext aufzurufende Stellungnahmen abgegeben haben. Weitere, an der Wahrheit interessierte deutsche Politiker haben die Möglichkeit, sich unter http://pl911truth.com/index.php?option=com_contact&view=contact&id=2&Itemid=54 dieser Petition anzuschließen. Die Aufarbeitung aller Verbrechen der Bush/Cheney-Administration muss mit der lückenlosen Aufklärung der Verbrechen am 11. September 2001 beginnen.)

PETITION

WHEREAS the Bush-Cheney administration's public interpretation of the 9/11 attacks has had radical, largely negative, consequences for the United States of America and the world as a whole; and

WHEREAS the official investigations of these attacks that have been carried out thus far were led by individuals closely aligned with, or even employed by, the Bush-Cheney administration; and

WHEREAS the conclusions of these investigations differ radically from those that have been reached by independent researchers with various kinds of professional expertise; and

WHEREAS organizations of such researchers---including Architects and Engineers for 9/11 Truth, Firefighters for 9/11 Truth, Lawyers for 9/11 Truth, Pilots for 9/11 Truth, Religious Leaders for 9/11 Truth, Scholars for 9/11 Truth and Justice, and Veterans for 9/11 Truth – have called for a new, truly independent, investigation; and

WHEREAS we believe it is long past time for political leaders to heed these calls;

THEREFORE we, the undersigned members of Political Leaders for 9/11 Truth, ask President Barack Obama to authorize a new, truly independent, investigation to determine what happened on 9/11.

37 Political Leaders have already signed the petition
